

CORONAVIRUS (COVID-19)

MAY 28

GRADUAL RESUMPTION OF ACTIVITIES IN QUÉBEC COURTHOUSES

Starting from June 1

The courts will resume handling non-urgent cases

The resumption hinges on initiatives undertaken in recent months:

- the establishment of virtual courtrooms
- the organization of telephone hearings
- the possibility of signing and submitting electronic documents

Solutions will be implemented to reduce the number of cases awaiting hearings, bearing in mind health rules
