

MEASURES TO BE APPLIED IN RESIDENTIAL FACILITIES - ORANGE LEVEL

STARTING JUNE 7, 2021

	Facilities with no outbreaks	Residents in isolation and facilities with outbreaks
Visits inside the room	1 person* at the time	1 informal caregiver per day
Visits outside, on the facility ground	5 people at the same time (6 including the resident)	
Dining rooms	Maximum of 4 users/residents per table, preferably by grouping together the same residents.	

* Visitors can go to the dining room with the user/resident according to the usual rules in the living environment.

It is not necessary to make an appointment to access the living environment.

Informal caregivers entering into residential facilities must be especially vigilant and follow the instructions for the general public.
