

## Maximum alert in certain regions of Québec

### Individuals who fail to comply with health measures will be fined

- Individuals who fail to comply with health measures in private homes will receive statements of offence issued on portable devices
- Demonstrators who fail to comply with the mandatory mask rule will receive statements of offence issued on portable devices

### Awareness-raising activities are planned

- Along Québec roads for motorists who are changing territory
- Aimed at students near secondary schools and parks
- In the areas that Quebecers visit during fall activities in the Laurentides, Estrie and Charlevoix regions
